

# WE CARE

SERVICES FOR CHILDREN

Dear We Care Family,

I want to thank you from the bottom of my heart for all your support of the work We Care does.

It's incredibly heartening to see that despite the extraordinary difficulties of these past few years, your compassion has only grown to match the increased needs of many of the most vulnerable children in our community.

Because of friends like you, We Care has been able to:

- Maintain our pre-pandemic programs
- Expand our work to include more children and harder-to-reach families
- Offer new programs to meet the unique needs of the children and adults we serve

We are deeply grateful to you.

What also remains true is that the need far exceeds our ability to address it.

For every family we help to overcome abuse and neglect, avoid expulsion from preschool, receive adoption and foster-care support, obtain autism treatment or a range of developmental services, many more children are missing the critical opportunity for early intervention.

This gap has driven us for years — fueling our passion, and informing all our planning and efforts.

We thank you for everything you've done to partner with us to help change so many lives. If you find this season to be a time to reflect on all you have to be grateful for, we share your appreciation of what it means to be safe and well in your own home.

For children who are not, we hope you can join us in supporting the kind of work that helps give underserved families an opportunity to create the best futures possible.

If you continue to believe that helping young, at-risk children change the direction of their lives is one of the best ways to help them and the community, please consider giving a gift to We Care again this year.

We send our sincerest thanks for your past generosity and our very best wishes for the holidays.

Sincerely,

Pete
